

LETTER OF AUTHORIZATION

In exchange for services ordered from IT&E, ITE and its contractor are hereby granted access to the location(s) identified herein to conduct all work associated with the installation and maintenance of the equipment and services provided by IT&E. Such authorized work shall include but not limited doing the installation of cabling, antenna and other electrical equipment. Customer acknowledges that such work may include drilling and the installation of related mounting devices. All equipment installed shall remain property of IT&E and removed by IT&E at its sole discretion upon the termination of services. IT&E shall not be responsible for the restoration of premises and customer hereby agrees to Indemnify and hold IT&E harmless from any and all liability related to the installation of equipment.
